(c) the action Government would take to return this medicine, recover the amount and take action against the officers involved in this?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) to (c) No such case of objection has come to the notice of the Government. Medical Store Organizations which is the procurement agency of the Ministry of Health and Family Welfare does not procure spurious or banned medicine. Before accepting for supply, samples from every batch of medicines is sent for test to two Government approved laboratories. Only after the test report is satisfactory, medicine is procured for supply.

However, there has been a particular case of Syrup Kodryl (medicine for cough) which had been banned for one year, from 19.7.2002 to 18.7.2001. After that period was over, this medicine was again permitted for procurement. During the period of ban, no supply was obtained of this particular drug.
